First3Years
Job Title: Professional Development Coordinator-Bilingual (English/Spanish)
Part-Time or Full-Time

Reports to: Director of Strategy
Location: Houston, Texas

First3Years is a state-wide non-profit organization whose mission is to educate, advocate, and collaborate to support the healthy development of infants, toddlers and their families. First3Years is recognized around the state for its training programs around infant mental health and our ability to bring meaningful research around relationships brain development during the early years to those who need it most.

First3Years is looking for an outgoing, experienced professional to coordinate professional development activities, synthesize current trainings, develop new content for in-person and online trainings, present training, coordinate logistics of training events, translate training materials to Spanish, provide trainings in English and Spanish, update internal systems for record keeping and delivery of professional development events, stay abreast of the latest research in early childhood development (0-3), and engage the professional community through networking and collaboration.

Job Duties: The Professional Development Coordinator Responsible for:

- Coordination and support to all professional development activities
- Develop custom trainings on early childhood (0-3) & infant mental health topics
- Create, review, synthesize, update and develop First3Years training presentations
- Translate training materials from English to Spanish
- Provide trainings in English and Spanish
- Work with staff, members, chapters and volunteers in the coordination of professional development activities
- Develop and deliver trainings for in-person and online presentations
- Translate new research on Infant Mental Health into meaningful presentations
- Assist Director of Strategy with evaluation plan for professional development activities
- Assist Director of Strategy with revision of presentations based on evaluations
- Assist with coordination of training calendar
- Assist Director of Strategy to work with in training budget to maximize reach throughout the state
- Stay current with national and best practices
- Assist Director of Strategy with grants as necessary
- Assist with training event marketing as needed
- Provide Reflective Supervision (in person and online) to individuals and groups as needed
- Manage training event documentation as necessary
- Other duties as assigned
Job Requirements:

- Graduation from an accredited college or university with a Bachelor’s degree, Master’s preferred
- Bilingual (English and Spanish)

- Experience training and/or teaching Infant Mental Health, early childhood (0-3), developmental milestones/disorders or related field
- Experience working with families in Infant Mental Health, early childhood (0-3), community development, home visiting, or counseling preferred

- Experience providing reflective supervision preferred
- Experience working in collaborative or partnership environments
- Experience developing trainings and/or courses
- Self-starter, able to meet deadlines and work independently
- Willingness to travel within Texas on occasion or for projects
