

FIRST 3 YEARS

INFANT MENTAL HEALTH ENDORSEMENT®

Mental Health Mentor-Clinical

Scope of work:
**Treatment
& Leadership**

Serves children
ages 0-3

WHO

Parent-Infant Psychotherapist, Parent-Child Psychotherapist, Infant Mental Health Specialist, Private Practice Therapist, Reflective Supervision Provider, etc.

DO YOU...

- Accurately interpret information from informal and formal observations and assessments to identify capacities and strengths as well as developmental delays and/or emotional disturbances in infants served?
- Effectively implement relationship-focused, therapeutic parent-infant interventions that enhance the capacities of parents/caregivers and infants?

DO YOU...

- Provide reflective supervision/consultation to infant mental health professionals?
- Mentor novice practitioners, students, and other colleagues to develop infant mental health skills?
- And more?

IF YOU ANSWERED YES...

- You provide culturally sensitive, relationship-focused, infant mental health treatment services intended to explicitly address issues related to attachment, separation, trauma and unresolved grief and loss as they affect the attachment relationship, development, behavior and care of the infant.
- You are a recognized infant mental health leader in your community.

RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your infant mental health treatment and leadership expertise.

BENEFITS OF ENDORSEMENT®

- Enhance the quality of your relationship-based services
- Participate in ongoing and targeted professional development opportunities
- Join an international network of infant mental health professionals
